- Instruction will be led by Kayla O'Brien. Kayla is so excited to bring her tumbling technique to PPA! She has been teaching all levels of tumbling since 2019. She originally started teaching gymnastics, slowly transitioned to all star cheer, and now is the head competition cheer coach at Franklin Regional HS. Tumbling is a huge passion of hers and she takes pride in teaching good technique and the importance of safety and safe progressions. She cannot wait to get to know all the dancers and is so grateful to have the opportunity to help them become strong, amazing tumblers!
